JOINT
EUROCORR 2017
20th INTERNATIONAL CORROSION CONGRESS
& Process Safety Congress 2017

September 3–7, 2017
Prague Congress Centre
Czech Republic

EXHIBITION PROSPECTUS
WELCOME INFO

Dear colleague,

It is our great pleasure to invite you to the joint European Corrosion Congress 2017, 20th International Corrosion Congress & Process Safety Congress 2017 being held in Prague, Czech Republic on September 3–7, 2017.

The annual conference of the European Federation of Corrosion, EUROCORR, is the flagship event in the field of European corrosion science. Uniquely in 2017, it is co-organised by the International Corrosion Council and Center for Chemical Process Safety thus becoming the largest scientific corrosion event ever held in Europe.

The Congress will cover all aspects of corrosion science and engineering and material protection reaching a world wide audience. Main topics will include the advances in corrosion prevention, corrosion monitoring, corrosion resistant materials, surface treatment and coatings, inspection and non-destructive testing, electrochemical methods, analytical techniques and microscopy, corrosion inhibitors and others.

With an expected attendance of 1500 delegates, the Congress will be a unique networking opportunity for scientists, academics, students and representatives of research institutions and industry in a vibrant professional setting and atmosphere. The scientific programme will consist of plenary lectures by world-renowned corrosion specialists, over 20 keynote lectures and about 800 oral presentations. Fifteen parallel sessions on a variety of topics will offer corrosionists from all over the world the opportunity to meet and present their research.

The Prague Congress Centre, the Congress venue, is designed to host large-scale exhibitions in close contact with the participants. A rich social programme is carefully prepared to further enhance the exchange between congress participants.

In September 2017, Prague will become the capital of corrosion. The natives of Prague call the city “The Mother of Cities”, “The Golden City”, or “The City of a Hundred Spires”. Visitors consider it to be one of the most beautiful cities in Europe. The city’s historical centre was rightfully added to the UNESCO List of World Cultural Heritage in 1993.

We sincerely hope you will join us in September 2017 in Prague!

Tomáš Prošek
President of the Congress & the Organising Committee

ORGANISED BY

Czech Association of Corrosion Engineers – AKI and DEHEMA with authorisation of the European Federation of Corrosion, the International Corrosion Council and the Center for Chemical Process Safety

CONGRESS VENUE

The Congress will take place at the Prague Congress Centre (PCC). PCC is one of the modern architectural landmarks of Prague and the largest convention and cultural centre in the Czech Republic. PCC enjoys a unique location on one of Prague’s hills, and is one of the dominant features of the capital of the Czech Republic. From here you can see the wonderful panorama of Prague over the river Vltava and the surrounding widespread parks, reflecting the silhouette of Prague Castle and its many steeples and towers of churches, cathedrals, palaces, and the ancient buildings of the nearby historic centre. It is easily accessible by both public and private transport. It has its own metro station and extensive parking facilities.

Prague Congress Centre (PCC)
třída S. Ivětna 65

EXHIBITION INFORMATION

A minimum exhibition area is 6 square metres (2 x 3 m). If you are interested in a larger exhibition space, please do not hesitate to contact the Sponsoring Manager.

Exhibition space of 6 sq m 2 400 EUR
- Net exhibition space, doesn’t include any construction
  - One congress bag and two exhibitor badges will be provided to each exhibiting company. For each additional 6 sq m, one additional exhibitor badge will be provided free of charge.
  - Every additional square metre 400 EUR

Exhibition booth of 6 sq m 2 800 EUR
- Including shell scheme construction (described below)
  - One congress bag and two exhibitor badges will be provided to each exhibiting company. For each additional 6 sq m, one additional exhibitor badge will be provided free of charge.
  - Every additional square metre 450 EUR

Standard exhibition booth equipment:
- Octanorm stand 3 m x 2 m:
  - Rear and side white walls
  - Ceiling grid with 2 spotlights
  - Fascia board with company name in standard letters – font black Helvetica
  - One table and two chairs, blue carpet
  - Electrical connection 3.5 kW

All additional equipment such as further furniture, AV, decorations etc. can be ordered extra.

EXHIBITION FLOORPLAN

The exhibition area is spacious. All congress refreshments (coffee breaks, lunches) will be served in the exhibition area. All spaces will be allocated based on the reservations received, on a first come, first served basis.
